Grammy nominated Reggae songstress Sheila Hylton has just been added as a featured performer at the 2007 Miss Jamaica USA Pageant at Carib New York in New Rochelle, NY, this Sunday, July 29 th.

A former model and celebrated fashion icon in Jamaica, Sheila heightens the evening dubbed "beauty & intelligence" with her classic style and poise, in addition to her velvet-voice and punching lyrics. A soulful mixture of Jazz, Rhythm and Blues, Funk, and Reggae, Steppin picks up where Sheila left off with her smash cross-over hit, the spunky Reggae-funk version of Sting & The Police's "The Bed's Too Big Without You."
